Get Cheap Car Hire In Christchurch For The Rugby World Cup '11

Low-cost automobile employ in Christchurch for the Rugby World Cup will probably be a necessity for many. The 2011 event takes place in September and October at twelve host cities all through the two primary islands of New Zealand. Christchurch Airport is situated on the east coast of the south island at approximately the midpoint.

Not just are there a lot of places to employ a automobile for a superb cost, it truly is feasible to rent campervans and motor houses as well. For individuals preparing to attend matches in much more than one location, this could possibly be an ideal way of saving money on accommodation. It's also a relaxing strategy to appreciate the New Zealand landscape.

The range of campervans offered contain low budget models with two berths to luxury end models with toilet and shower. Motor houses for rent range from low budget models to luxury end as well. Also as Christchurch, they are able to also be collected from Wellington and Auckland on the north island and Queenstown in the south. Vehicles are not allowed on ferries in between the two islands so if your travel plans contain this journey, make certain your automobile employ agency can arrange for a rental automobile on the other side. You can rent a automobile in one location and drop it off in a different location on the same island provided your rental is for longer than 3 days.

Before driving away in your hired automobile, motor residence or campervan, you should familiarize yourself with a number of the neighborhood laws of motoring. Rule Number One is that New Zealanders drive on the left, similarly to in Australia or the United Kingdom. Should you be accustomed to driving on the proper, allow yourself sufficient time to get utilised towards the concept of driving on the 'wrong' side.

Drivers must be 21 years of age or older if they wish to drive a rental automobile. Should you be under the age of 25, you may be subjected to a 'young driver' surcharge. The minimum age may also depend on the category of the automobile you wish to drive.

On highways, the maximum speed limit is 100 kilometers per hour (kph) or 60 miles per hour (mph). In the cities, the speed limit is 50 kph or 30 mph. There no toll highways.

Theft protection, fire insurance and collision harm waiver (CDW) are included in the automobile rental rate. Deductibles for each theft and CDW could possibly be as high as twenty-three hundred American dollars, depending on the rental agency as well as the type of vehicle. It could possibly be feasible to acquire 'Super' CDW insurance at a higher premium, which may bring the deductible down to nothing. Third party liability is mandatory in case you harm or injur property or individuals.
