There will probably be plenty of inexpensive car employ in Christchurch for the Rugby World Cup, but it is still a good idea to begin planning early and generating arrangements just to be on the secure side. Though you'll find no matches planned for Christchurch, it's conveniently situated for games on the south island. It also has an airport.

Not only are there a lot of locations to employ a car for a good cost, it's possible to rent campervans and motor houses too. For men and women planning to attend matches in much more than 1 location, this could be an perfect way of saving dollars on accommodation. It's also a relaxing strategy to appreciate the New Zealand landscape.

There is certainly one thing to suit each and every budget, from inexpensive campervans and motor houses with just two berths to luxury models with shower and toilet. They could be rented in Christchurch, too as Queenstown on the south island and in Auckland or Wellington on the north island. Vehicles are by no means allowed off the island on which they're rented, so if you're planning to make a journey from north to south, make certain you'll be able to drop off your car, campervan or motorhome on 1 island and arrange to employ a new vehicle on the subsequent. One-way rentals are permissible, provided your total employ is three days or longer.

Prior to setting off inside your vehicle, make certain you know the guidelines of the road beforehand. Essentially the most vital rule, of course, is that, similar to Australia along with the United Kingdom, men and women in this nation drive on the left-hand side of the road. Give oneself plenty of time to obtain accustomed to this if you're within the habit of driving on the right!

Drivers must be 21 years of age or older if they desire to drive a rental car. If you're under the age of 25, you may be subjected to a 'young driver' surcharge. The minimum age might also depend on the category of the car you wish to drive.

The maximum speed limit in cities is 50 kilometers per hour (kph). This equates to 30 miles per hour (mph). On the highways, the maximum speed is 100 kph or 60 mph. Do not get confused by signs posted in kilometers per hour, they're not a licence to drive faster! The nation has no toll roads.

Collision Harm Waiver (CDW), fire insurance and theft protection insurance are supplied in all rental rates. The deductibles for each CDW and theft cover could be as high as fifteen hundred American dollars or considerably much more, depending on the vehicle kind. Some organizations offer you 'Super' CDW for a high premium, which can bring the deductible down to zero. Third party liability cover is also needed in case of damage or injury to men and women or property.
